

Stein, Bruce A.

- Current Position:** Director, Climate Change Adaptation, National Wildlife Federation, 2011-present.
- Degrees:** Ph.D., Population Biology, Washington University, St. Louis/Missouri Botanical Garden, 1987; B.A., Biology and Environmental Studies (Natural History), University of California, Santa Cruz, 1978.
- Previous Positions:** Associate Director, Wildlife Conservation and Global Warming, National Wildlife Federation, 2008-2010; NatureServe: Vice President and Chief Scientist, 2006-2008; Vice President for Programs, 2000-2006; The Nature Conservancy: Director, Scientific Publications and Communications, 1998-2000; Director, Conservation Science External Affairs, 1994-1998; Director, Latin America Science Program, 1987-1994; Environmental Impact Corp., Inc., Senior Biologist, 1980-1982.
- Professional Activities:** Advisory Panel, Wildlife Adaptation Fund, Wildlife Conservation Society, 2008-present; Task Group on Observational Data, Global Biodiversity Information Facility, 2008; Synthesis Panel, Identifying Promising Technologies for Environmental Surveys, Transportation Research Board, National Academies of Science, 2007-2008; Biodiversity Assessment Subcommittee, International Union for Conservation of Nature, Species Survival Commission, 2005-2008.
- Publications:** Author, co-author, and editor of over 43 scientific journal articles, chapters, or books. Recent publications include: Stein, B.A. and Shaw, M.R., in press. Biodiversity conservation for a climate-altered future. In: *Successful Adaptation: Linking Science and Practice in Managing Climate Change Impacts*. New York: Rutledge Press; Stein, B.A. and Staudt, A. (eds.). 2012. Adaptation to impacts of climate change on biodiversity, ecosystems, and ecosystem services. In: *Impacts of Climate Change on Biodiversity, Ecosystems, and Ecosystem Services: Technical Input to the 2013 National Climate Assessment*. Cooperative report to the 2013 National Climate Assessment; Swenson, J. J. et al. (incl. B.A. Stein). 2012. Plant and animal endemism in the eastern Andean slope: Challenges to conservation. *BMC Ecology* 12: 1 (doi:10.1186/1472-6785-12-1); Fleishman, E. et al. (incl. B. A. Stein). 2011. Top 40 priorities for science to inform U.S. conservation and management policy. *BioScience* 61: 290-300; Glick, P., B.A. Stein, and N.A. Edelson (eds.). 2011. *Scanning the Conservation Horizon: A Guide to Climate Change Vulnerability Assessment*. Washington, DC: National Wildlife Federation; Hoffman, M. et al. (incl. B. A. Stein). 2010. The impact of conservation on the status of the world's vertebrates. *Science* 330: 1503-1509. Stein, B.A., C. Scott, and N. Benton. 2008. Federal lands and endangered species: The role of military and other federal lands for sustaining biodiversity. *BioScience* 58(2):339-347. Stein, B.A. 2008. Biodiversity and the military mission. In: *Conserving Biodiversity on Military Lands: A Guide for Natural Resources Managers*. Arlington, VA: NatureServe.
